

3.5mm Mini Stereo Audio 4 Position TRRS Headset Extension Cable (M/F) 6-ft.

MODEL NUMBER: P318-006-MF

Highlights

- 6-ft, 3.5mm 4-position TRRS Headset Extension Cable
- Fully-molded for a lifetime of use

System Requirements

- Headset and equipment with 4-position TRRS 3.5mm connections

Package Includes

- 3.5mm Mini Stereo Audio 4 Position TRRS Headset Extension Cable (M/F) 6-ft.

Description

Tripp Lite P318-006-MF extends the connection distance between your iPhone, mobile phone or computer headset by 6 ft. The cable features a 4-ring 3.5mm (1/8" TRRS) MALE on one end and a 3.5mm (1/8" TRRS) FEMALE on the other. To ensure long-lasting performance, this high-quality 3.5mm audio extension cable features molded PVC strain relief at each of the connectors, which prevents the cable termination points from bending at sharp angles, in turn reducing the risk of cable damage.

Features

- Molded strain-relief prevents the cable from being bent at sharp angles at the TRRS connectors to minimize the stress at the plug termination point
- Provides greater flexibility by enabling you to move more freely, while working at your computer with VOIP applications (Skype, chat programs)
- 4-pole 3.5mm male/female connectors with molded PVC strain relief
- Nickel-plated connectors
- 90% Spiral Wrapped Connector provides shielding against EMI and RFI interference
- Length: 2 meters (6 ft)
