Short Description

The Brentwood H-F301BK 1500-Watt Portable Electric Space Heater and Fan keeps you toasty or cool. Choose between 2 comfort heat settings, 750 or 1500 powerful watts. Features fully adjustable thermostat, ceramic heating element, safety tip-over switch, protective mesh guard, overheat protection, convenient power indicator light, cool touch housing and easy to carry handle.

Long Description

Use the Brentwood H-F301BK 1500-Watt Portable Electric Space Heater and Fan to keep you toasty when it's chilly and cool when it's warm. Ceramic heating element produces 2 levels of safe and steady heat; 750 or 1500 powerful watts. Features a energy saving, fully adjustable thermostat. Safety tip over switch turns unit off when tipped over, preventing accidents. Safety mesh guard protects heating element from direct contact with hands and clothing. Cool touch, lightweight housing and easy carry handle makes this unit easy to move from room to room, desk to floor and more. Power/warmer indicator lights conveniently illuminate when turned on. Includes overheat protection with safety fuse.
