

40 pc. Impact Tough™ Drill Drive Custom  
Case System Set

## **Bosch DDMS40**

40 pc. Impact Tough™ Drill Drive Custom Case System  
Set

- Impact Tough™ bit design – both driver and drill bits are impact rated and provide longer bit life than standard impact bits
- Driver bit Xtended Torsion Zone – helps to absorb high-torque of new impact drivers
- Black oxide coating on drill bits – provides lower friction, along with less heat for long life
- Tilt-in/tilt-out case mechanism – allows easier access to bits
- Customized storage configuration – provides efficiency so the right bit is always at hand
- Precision-engineered driver bit tips – deliver a tighter fit and less cam-out
- Heat-treated bit manufacturing – provides stronger bit
- High-visibility bit markings – makes finding the correct bit for the job easier
- Durable case – features a secure case latch and rubber bumpers
