Under Hood Animal Repeller

Congratulations on your purchase of the P7825 Under Hood Animal Repeller. Please read these operating instructions thoroughly before use. It is important for proper use of the product.

The Under Hood Animal Repeller provides a convenient, effective and humane way to deter pests from damaging your engine compartment in your car. Squirrels and other rodent pests are attracted to plastic coated wires and rubber tubing common under your vehicle's hood. The Under Hood Animal Repeller produces a sound at a frequency of about 12 kHz that is very unpleasant to animals.

Features:

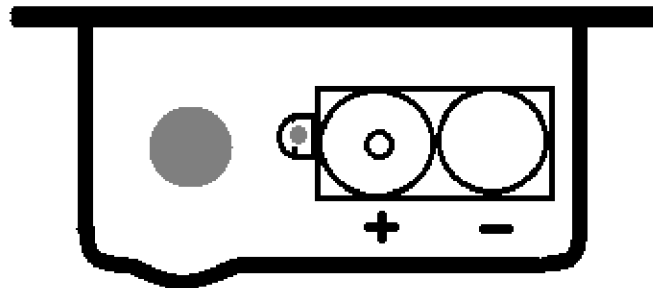

- Powered by 2 x C size batteries.
- Long battery life.
- Easy Installation, no connection to the vehicle's systems.
- Weather resistant.
