

GC106U REACH POWER STRIP

Protect home and office computers, electronics, and home theater equipment

Power when and where you need it! Set up a temporary personal power station to quickly charge multiple devices using AC power and USB ports. This Reach & Charge™ USB & AC Power Cord provides one standard-spaced outlet and two 2.4 A shared USB charging ports, perfect for mobile devices, fitness trackers, and smart home devices. The GC106U has a stylish, braided cord that prevents tangles and stores easily when not in use. A low-profile plug fits in tight spaces to keep power within reach.
