

SKIPDR® DISC REPAIR SYSTEM

- #1 Disc Repair System trusted by millions of users!
- Fixes scratches that cause a DVD or CD disc to skip, freeze, distort or will not play (not for use with Blu-ray™ discs)
- Motorized resurfacing repair process smoothes surface scratches to renew the disc's protective layer, leaving disc data unaffected
- Patented FlexiWheel repairs up to 25 discs and works gently enough to safely repair the same disc multiple times
- Available in manual and motorized versions
- Replacement kit also available

Manual MSRP \$19.99 | Motorized MSRP \$39.99

Replacement Kit MSRP \$9.99
