(KT-1800) 2.0 Liter Stainless Steel Electric Cordless Tea Kettle; Brushed Finish **[KT-1800]**

Bring form, function and safety to your kitchen with the elegantly designed Brentwood KT-1770 glass electric kettle. With 2-liter water capacity and 1000 watt of power, this electric kettle is faster and more efficiently than a microwave. This kettle is constructed from durable BPA Free Brushed Stainless Steel. Features include a 1000-watt heating element and a locking flip-up lid and spout filter for convenience. For safety purposes, this kettle is equipped with automatic shut-off, boil-dry protection, secure locking lid, power indicator light, cool-touch buttons and ergonomic stay-cool handle. For added convenience the kettle can be removed completely from the detachable base, after boiling, for cord free use.
