**Short Description**

The powerful 800w Brentwood TS-345R Stainless Steel 4 Slice Toaster Oven can toast, broil and bake an array of foods. Adjustable temperature ranges 50 to 450 degrees. Choose between the 15 minute timer with auto shut off and "stay on" functions. Two rack positions and two heating elements insure even toasting. Convenient crumb tray. Includes food tray and wire rack.

## **Long Description**

Use the powerful 800 watt Brentwood TS-345R Stainless Steel 4 Slice Toaster Oven to toast, broil and bake all kinds of food using the included food pan and wire rack. Fully adjustable temperature ranging from 50 to 450 degrees. Set it and forget it with the 15 minute timer with auto shut off or use the “stay on” function. Choose between low and high rack positions. Our broiler uses 2 quartz heating elements, one above and one below, for even cooking. The interior of the oven is completely coated with zinc for maximum durability. Indicator light signals power when turned on. Conveniently lean the oven back to access the drop down crumb tray.
