

CTA WARRANTY

Quality Assurance is our Priority

CTA Digital offers a one-year (12-month) warranty on all our products, effective from the date of purchase. The warranty covers any defect associated with the manufacturer's responsibility to provide a sturdy, quality item, free of any defects in material and workmanship. This warranty does not cover normal wear and tear, nor does it apply to products that have been mistreated or otherwise tampered with, damaged by exposure to weather or natural disaster, vandalized, or misused, or damage that occurs more than one year past the date of purchase.
