

RETURN / WARRANTY POLICY

All GSM Outdoor products have a warranty that covers manufacture defects of the product. Like most industries, our warranty is valid only for the original owner of the product purchased from an authorized retailer. Please refer to your individual product for specific warranty time frames. Below are the general warranty times for all of GSM Outdoor products.

Stealth Cam products are covered by a **One Year Limited Warranty**.

At GSM Outdoors, our customers are our number one priority and we want them to know we stand proudly behind every item bearing our name. Tampering with or altering the unit will void the warranty. Any unauthorized service will void the warranty. Original sales receipt must be produced for any warranty service and a Return Authorization (RA) number must be obtained from customer service at 877-269-8490 prior to returning the product.
