

**Product Code:** GF-PR

***Proper jump rope length?***

- Grab each handle as you would hold ski poles
- Put one foot on the center of the rope and pull up on the handles
- The handles should come to the center of your chest or no higher than your armpits.
- If it is too long—the rope should be shortened for optimal jumping experience.

***Is my Classic Jump Rope Adjustable?***

No.

***How Often should I Check my Exercise Equipment?***

GoFit equipment should always be checked thoroughly before each and every use to assure there are no nicks, tears, holes or other damage to the item. Using damaged items could lead to severe injury. If any sign of damage or wear is present, immediately discontinue use of the item and contact GoFit Customer Service for assistance.
