

Before use turn off device and let cool to room temperature.

Directions for use:

1. Consult your owner's manual for safe cleaning instructions for all electronic items.
2. Wipe screen/surface/tablet screen with wipe.
3. Let air dry or wipe with microfiber cloth to speed drying.
4. Dispose used wipe into receptacle in accordance with your local recycling and disposal regulations. **Do Not Flush.**

Opening and Dispensing:

1. Flip open dispensing cap.
2. Locate end of first wipe in the center of the roll. Pull the first wipe through large opening in lid and pull into smaller opening.
3. Dispense wipes by pulling wipe upward and slightly forward.
4. Close dispensing cap tightly after use. When properly sealed, lid will snap shut to prevent moisture loss.
