

FlatWave® Ultra Thin HD Antennas

By WINEGARD®

FL5500S

FlatWave Amped

US patented dual band optimized VHF/UHF element is designed for maximum signal capture.

Reversible to match any décor!

Clear Circuit Technology™
Ultra low noise (1 dB) digital amplifier is embedded directly in the antenna elements. Boosts 100% of available signal, resulting in never before seen range and elimination of pixelation and dropout.

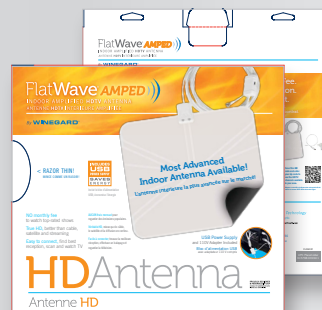

Full HD 1080

High quality high flex mini coax cable (18.5') makes it easy to position for maximum performance.

Quick connect USB power inserter connects directly to a USB port on your TV or to the included 110 V adapter.
