Your Appliance Connection Solution®

8" 6-Turn 2,350-Watt Replacement Range Surface Burner Element

for GE® & Hotpoint® WB30M2

51001 | UPC: 086844510011

DESCRIPTION:

For years, licensed plumbers, electricians and appliance installers have relied on the Certified Appliance Accessories brand for their power cords, hoses and connectors. Now you can too. In addition to reliable and durable connectivity solutions, Certified Appliance Accessories carries high-quality replacement parts for electric ranges. The 8 in. 6 Turn 2,350 Watt Replacement Surface Range Burner Element is a quality product specifically designed for electric ranges found in homes and apartments. This surface element is an easy and convenient way to replace the existing cooking element on top of a stove or range. It has been thoroughly tested and is backed by a 5-year limited warranty. Check your appliance's manual for the correct specifications to ensure this is the surface element for you. Thank you for choosing Certified Appliance Accessories—Your Appliance Connection Solution.
