## FOUNDED IN NEW YORK CITY IN 1929

by Morris Abrams, Arrow Fastener Company has grown to become the US market leader in fastening tools for professional tradespeople, do-it-yourselfers, and craft enthusiasts. Since the beginning, Arrow has been synonymous with stapling due in part to the global success of the T50. Today, the T50 is the world's best-selling staple gun.

After 90 years, the entrepreneurial spirit of our founder and our commitment to family values can still be seen in all our products and the programs that put great tools in hardworking hands. It's how we have led the industry in innovation, style, and functionality for nearly a century now.

## IN OUR TOOLBOX

- Manual, electric, and pneumatic staplers
- Nail guns
- Glue guns
- Hammer tackers
- Rivet tools
- Grommet tools
- Fastening supplies
