# STANLEY FATMAX

## POWERCLAW™

### Introducing the Stanley® FatMax® PowerClaw™

A first of its kind, clamping power strip that allows you to CLAMP YOUR POWER where you need it, when you need it. Clamp it to your workbench, a framing stud, or almost anywhere around the home or job site. With its heavy-duty spring-loaded clamp, the PowerClaw grabs onto just about anything. Three grounded outlets deliver 15 amps of power safely and securely. With its durable, impact-resistant housing and 14/3 AWG 3-foot cable, the PowerClaw just won't quit. A built-in circuit breaker prevents overloads. Keep your outlets off the ground and your cords out of your way with the PowerClaw.

## WRAP 'N' GO

### Introducing the Stanley® FatMax® Wrap 'N' GO

Power up electrical devices around the garage with the STANLEY FatMax Wrap 'N' Go. The FatMax Wrap 'N' Go's construction features a heavy-duty impact resistant plastic housing with metal reinforcements for maximum durability. A built-in cord manager allows you to wrap its 12-foot cord neatly and includes a hang hook for easy storage. An elevated design keeps its 5 grounded outlets off the ground and away from accidental spills or debris.
