EXCITE YOUR SENSES™

2021 CONSUMER ELECTRONICS

Table of Contents

Corporate Mission

Naxa Electronics designs and distributes consumer electronics that entertain and delight at a very competitive price. Our mission is to deliver products that stand out from the crowd. Whether your business is retail, wholesale distribution, or ecommerce, Naxa will give you the product assortment and packaging you need to create customer acquisition and retention.

Our product development team brings items to market that consumers demand by embracing the latest innovations in both technology and design. We are committed to responding to the needs of our users and our partners.

Along with product innovation, Naxa is dedicated to providing unequalled service. Our management team and staff do everything within their power to satisfy all needs and requests. We've expanded our sales support team to ensure that users and partners receive courteous, positive, and prompt communication at all times. We have also expanded our corporate office and warehouse facility in Vernon, California—just a few short miles from downtown Los Angeles. The new office and warehouse complex together with our updated systems and overseas subsidiaries have expanded our global footprint and have given us the capability to provide high level support worldwide that our customers have come to expect.

Now the moment you have been waiting for… Naxa Electronics is proud to present to you this year's product offering!

Core™ Tablets

Core™ tablets from Naxa® Electronics are purposely built for entertainment. With support for a wide range of digital formats and powerful processors, Naxa Core™ tablets are sure to be a hit.

Arriving for 2021 are Naxa Core™ tablets with the latest Android OS 10.0 and are GMS Certified! These tablets are now faster and more powerful than ever before.

Naxa Core™ tablets with Android™ OS 10.0 are available in 7, 9, and 10.1 inch sizes and have the latest features. They are ready to connect to the latest Bluetooth® devices, and can be used as a remote for a Google Chromecast™ device. Enjoy high-definition movies on the go or from the comfort of your sofa. All of our Naxa Core™ tablets support memory cards for additional storage, and have front and rear cameras for video conferencing.

- 32" HD TV (720p) that plays digital media file
- Native 720p HD (1366 x 768) Resolution
- Connect to your computer via HDMI input to view content in high-quality resolution on LED TV
- Built-in Digital ATSC TV tuner that receives free over-the-air HD TV stations
- Play music and view photo files from a USB flash dri
- Inputs: HDMI x 3, YpBPR & AV IN, PC-VGA + Audio, & USB
- Outputs: Coaxial digital audio, headphone
- VESA 200mm x 100mm Wall mount compatible
- Power: AC 100-240V and DC 12V car adapter
- Accessories included: Remote control, TV stand, Car cord adaptor, User manual

NT-3205

32" Class Widescreen HD Television

- 32" HD TV (720p) that plays digital media file
- Native 720p HD (1366 x 768) Resolution
- Connect to your computer via HDMI input to view content in high-quality resolution on LED TV
- Built-in Digital ATSC TV tuner that receives free over-the-air HD TV stations
- Play music and view photo files from a USB flash dri
- Inputs: HDMI x 3, YpBPR & AV IN, PC-VGA + Audio, & USB
- Outputs: Coaxial digital audio, headphone
- VESA 200mm x 100mm Wall mount compatible
- Power: AC 100-240V
- Accessories included: Remote control, TV stand, User manual

NT-3903

39" Class HD LED TV

- 39" HD Television with hotel menu mode
- Maximum Resolution HD 720p (1366 x 768) Resolution
- Play music and view photo files from a USB flash dri
- Inputs: HDMI, component video, composite video, cable/antenna, PC-VGA + audio
- Outputs: Coaxial digital audio, headphone
- VESA standard (200mm x 200mm) Wall mount detachable stand
- Hotel menu mode and USB clone function
- Accessories included: Remote control, User manual

NT-5003

50" Full HD (1080P) Television

- 50" large screen Full HD TV (1080p) that plays digital media file
- 1080p Full HD (1920 x 1080) Resolution
- Connect to your computer via HDMI input to view online content in high-quality resolution on LED TV
- Built-in Digital ATSC TV tuner that receives free over-the-air HD TV stations
- Play music and view photo files from a USB flash dri
- Inputs: HDMI x 3, YpbPR & AV IN, PC-VGA + Audio, USB x 1
- Outputs: Coaxial digital audio, headphone
- VESA 200mm x 200mm Wall mount compatible
- Power: AC 100-240V adapter
- Accessories included: Remote control, TV stand, User manual

NT-5503K

55" 4K UHD Widescreen Television

- 55" 4K UHD TV (2160p) that plays digital media file
- Native 2160p UHD (3840 x 2160) Resolution
- Connect to your computer via HDMI input to view online content in high-quality resolution on LED TV
- Built-in Digital ATSC TV tuner that receives free over-the-air HD TV stations
- Play music and view photo files from a USB flash dri
- Inputs: HDMI x 3, CVBS and Audio L/R x 1 (3 RCA), YpbPR & 1 (3 RCA), RF Antenna, USB
- Outputs: Optical, AUX Out
- VESA 200mm x 200mm Wall mount compatible
- Power: AC 100-240V adapter
- Accessories included: Remote control, TV stand, User manual

LED TVs with Built-in DVD

NTD-1356
13.3" FHD LED TV and DVD/Media Player + Car Package
- 13.3" Full HD TV that can play DVDs and digital media files as well as fit into tight spac
- Native 1080P Full HD (1920 x 1080) Resolution
- Built-in high-definition Digital ATSC TV tune
- Plays DVDs as well as digital movies, music, and photo files from USB and SD card
- Inputs: HDMI, Component/Composite (audio-shared), RF 75 Ω coax, PC-VGA + Audio, USB 2.0

DVD Players

ND-856P
Digital DVD Player with Progressive Scan
- Compact DVD and digital media player
- Progressive Scan Function allows for better clarity when watching your favorite movies
- Compact DVD player lets you enjoy your movies in any space
- Play digital media from USB memory sticks
- Connection options include composite video and coaxial digital audio
- Power Source: DVD Player: AC 110-240V
- Accessories included: Remote control, A/V cable, User manual

Model	ND-856P
Product Name	Digital DVD Player with Progressive Scan
Display Type	On-Screen
Disc Support	DVD, DVD ± R/RW, CD, CD-R/RW
Removable Media Support	USB
Playable Media Formats	MPEG-1, MPEG-2, MPEG4, Xvid, DivX, AVI, JPG, MP3, WMA, ATSC, NTSC
Output	Component video + audio Coaxial digital audio
Multi-Language OSD	English, Spanish, French
Power Source	DVD Player: AC 110-240V
Accessories Included	Remote control, A/V cable, User manual
UL/ETL Certification	Yes

ND-861
DVD Player with HD Upconversion
- The perfect DVD player for your HDTV with HDMI output and HD upconversion
- HD upconversion delivers a better DVD movie experience on your HDTV
- HDMI provides a high-bandwidth digital connection to your HDTV with just one cable
- Attractive and slim DVD player with flexible connection option
- Power: DVD Player: AC 110-240V
- Accessories included: Remote control, A/V cable, User manual

Model	ND-861
Product Name	DVD Player with HD Upconversion
Display Type	On-Screen
Disc Support	DVD, DVD ± R/RW, CD, CD-R/RW
Playable Media Formats	MPEG-1, MPEG-2, JPG, MP3
Video Standard	NTSC, PAL
Output	HDMI Composite video + audio (shared) Component video + audio (shared) Coaxial digital audio RCA stereo audio

Soundbars & Tower Speakers

One of the great success stories in consumer electronics has been wireless Bluetooth® technology. Consumers have snatched up Bluetooth® enabled products in great numbers because of how easy it is to enjoy music without the hassle of cables or expensive docking stations that need to be replaced. However, the set up and pairing process with Bluetooth® has always been a pain. Until now. Naxa electronics is introducing 1-touch set up for Bluetooth® with NFC®. When you see a Naxa speaker with the NFC® emblem, that means you can connect wirelessly to that speaker within seconds. Simply touch the back of your smartphone, tablet or other Bluetooth® with NFC® enabled device to the emblem, and and voilà! Instant. Audio. Nirvana. No more pin numbers and complicated menus that get in the way of your music. Naxa 1-touch Setup is just that easy!

* iOS does not currently work with NFC® setup.

NHS-2012A
32" TV Sound Bar with Bluetooth®
- A 32" wireless sound bar system with Bluetooth®
- Two full-range drivers deliver 6W RMS total output power
- Connect to music players wirelessly with Bluetooth® technology
- Input: 3.5mm AUX audio
- Wall mount or desktop installation
- Power: AC 100-240V adapter, DC: 9V/1.3A
- Accessories Included: Remote control, AC power adapter, AUX to RCA stereo cable, User manual

Voice-Controlled Speakers & Sound Bars

Naxa Electronics brings voice control on the go and into your home with Bluetooth® Wi-Fi speakers powered by voice control services, such as Amazon Alexa, Google Assistant, and Siri Assistant. Get the latest weather and news or play any song you want just by asking! For Wi-Fi-enabled speakers, pair up to six speakers on a single network for multi-room staging or to make a larger sound. All Naxa voice-controlled speakers connect to Bluetooth® devices for wireless streaming and include the free Naxa Resound app to adjust your speaker settings.

Models NAS-5003 and NAS-5004 are portable and provide up to 5 hours of wireless playtime before recharging. Each speaker in this line has a powerful stereo sound that will fill up any room and is IPX4 rated for water resistance so that you can feel comfortable putting them in your kitchen or bathroom. Best of all, the new Naxa Amazon Alexa TV sound bar, NHS-5002, is an amazing way to add stereo sound with the power and convenience of Amazon Alexa to any home theater system.

Certified to work with Amazon Music, Spotify, Tidal and so much more. Your voice is now our command!

Audio

Naxa Electronics has a proud history of serving the audio needs of its customers. From traditional boomboxes updated with Bluetooth® and MP3 playback to harder-to-find cassette players, Naxa keeps things current while still honoring the past.

As the world continues to go digital and portable, Naxa has expanded its line of portable Bluetooth® speakers. Flexible wired and wireless connection options, built-in MP3 playback from flash drives, waterproof coatings, and rechargeable batteries are just some of the standout features you'll find throughout the line. From small travel speakers all the way to powerful speakers with built-in subwoofers, Naxa has exactly what you're looking for.

Along with providing high-quality, standalone speakers, Naxa also offers hard to find audio solutions in portable MP3, video, CD players, and bookshelf systems. Whatever you need, Naxa has a solution for you.

Turn it up to get down anywhere. The built-in subwoofer with matched high-power drivers gets low and loud.

Make yourself heard. Connect a microphone (or two) and you'll be ready to toast 'em and roast 'em.

It's not a party until the music starts. Get it going (and keep it going!) with 10 replaceable D batteries.
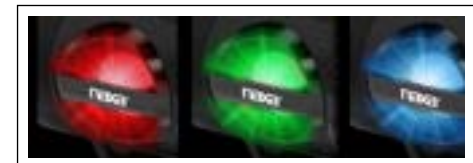

LED Light Illumination

NPB-262

MP3/CD Bass Reflex Boombox & A System with Bluetooth®

• A big boombox that delivers BASS you can feel, with wireless Bluetooth® and two microphone connectors
