## DIGITAL COMPACT FOLDING THERMOMETER

### Save space without compromise

The **DH6** is an **extremely compact** thermometer with a **folding probe** design, folding down to approximately 4.5" making it **convenient and pocketable**. Despite its small size, the DH6 boasts a **large backlit display** that's **easy to read** in all lighting conditions and viewing angles. The DH6 is perfect for the home or outdoor cook looking for an **easy-to-use** product at a **reasonable price**.

#### DH6 Features:

##### Compact size

The convenient size makes the probe extremely portable, easily keeping your thermometer within arm's reach.

##### Folding / Locking Probe

The 2.3mm folding probe design makes the probe extremely compact and portable, and locks at 180° preventing the probe from collapsing on you when taking a measurement.

##### Large Backlit Display

The backlit LCD display is easy to read in all lighting conditions and viewing angles.

##### Mounting Magnet & Hanging Loop

Attach the DH6 to your grill or magnetic knife holder, or simply hang it from a hook.
