

LINKSYS  
Intelligent  
Mesh™

**PERFECT SOLUTIONS  
FOR YOUR SMALL  
BUSINESS OR  
HOME OFFICE**

**More Coverage, More Capacity and More Speed**

Ready to upgrade to mesh?

- With Linksys Intelligent Mesh™ Technology, you will have reliable coverage and flawless connections.
- Intelligent Mesh dynamically optimizes speeds to connect all of your devices using the fastest path to the internet.
- Works with your existing modem and internet provider.
- Grow your mesh WiFi system with any mesh router when you need more range, speed, and capacity.
