VIVOSMART® 5 FITNESS TRACKER

NEW PRODUCT
ANNOUNCEMENT

PRODUCT OVERVIEW:

Take charge of your health with vivosmart 5. This easy-to-use, comfortable fitness tracker¹ comes loaded with features to track your activity all day and sleep stages all night². Wrist-based heart rate, stress tracking, Body Battery™ energy monitoring and more help you stay informed while smart notifications from your paired smartphone keep you connected. Stay active with built-in sports apps that include profiles for walking, running, yoga, cardio and more. Plus, when connected to your smartphone, incident detection (during select outdoor activities) and Assistance³ features send a message with your live location to emergency contacts for greater peace of mind. With up to 7 days of battery life, vivosmart 5 gives you an uninterrupted picture of your health and can go wherever your busy schedule takes you.

VIVOSMART® 5 FITNESS TRACKER

NEW PRODUCT ANNOUNCEMENT

KEY FEATURES:

IMPROVED	SIMPLE, EASY-TO-USE DESIGN	Looking for a hassle-free, easier-to-read tracker? A bright and 66% bigger display than vivosmart 4 for larger text plus touchscreen and button interface give you just that.
NEW	SLEEP SCORE	Get a score for your sleep quality, plus get further insights on how to improve your sleep via the Garmin Connect™ app.
NEW	SAFETY AND TRACKING	When connected to your compatible smartphone, incident detection (during select outdoor activities) and Assistance ³ send messages and live location information to emergency contacts.
NEW	INTERCHANGEABLE BANDS	Interchangeable bands provide user-friendly designs, making band replacements easy and convenient.
	BATTERY LIFE	Get an uninterrupted picture of your health with up to 7 days of battery life in smartwatch mode; safe for swimming and showering, too.
	ALL-DAY HEALTH MONITORING	Understand your body by monitoring your respiration, Pulse Ox ⁴ , Body Battery™ energy levels, women's health, hydration, stress and heart rate ² with low and high heart rate alerts ¹ .
	FITNESS TRACKING	Reach your fitness goals through fitness age, step tracking, calories burned, intensity minutes and more.
	BUILT-IN SPORTS APPS	Built-in sports apps feature activity profiles such as walking, running, yoga, cardio, pool swim and more.
	CONNECTED GPS	vivosmart 5 connects to your compatible smartphone's GPS to track outdoor walks, runs and rides.
	SMART NOTIFICATIONS	Stay connected with smart notifications for incoming calls, text messages, calendar view and more when paired with your compatible smartphone.

Please note: The ECCNs and Classification numbers provided represent the opinion of Garmin International, Inc. of the proper classifications for the products today (based on the original software and/or original hardware). Classifications are subject to change. Under the U.S. export regulations, the U.S. Government assigns your organization or client, as exporter/importer of record, the responsibility for determining the correct classification of any item at the time of export/import. Depending on the products, the customer, or the country of destination, an export license may be required by the Department of Commerce prior to shipment. The Department of Commerce's Bureau of Industry and Security (former Bureau of Export Administration) website (<http://www.bis.doc.gov>) provides information that might be useful to you in determining whether you need to obtain a license for a particular shipment. To be clear, if an item described above does require a validated export license, it would be the exporter's responsibility to obtain this license prior to exportation.
