# Instinct<sup>®</sup> 2 - dēzl<sup>™</sup> Edition TRUCKING SMARTWATCH

**NEW PRODUCT  
ANNOUNCEMENT**

## PRODUCT OVERVIEW:

Instinct 2 - dēzl Edition is a rugged smartwatch designed specifically for professional truck drivers who want trackable health metrics, short-break workouts and daily conveniences designed for healthy over-the-road lifestyles. Enjoy all-day health monitoring features that track your heart rate<sup>1</sup>, sleep, Pulse Ox<sup>2</sup>, respiration and more. Pair this watch with the dēzl<sup>™</sup> app on your compatible smartphone for workout tutorials that fit within standard break times. When using the dēzl app, take advantage of truck plaza loyalty programs with some of the nation's most popular travel centers, and breeze through checkouts with Garmin Pay<sup>™</sup> contactless payments<sup>3</sup>. Save time and improve efficiency with PrePass<sup>®</sup> U.S. weigh station and bypass notifications<sup>4</sup> viewed right on your watch, using your active PrePass account.

**NEW PRODUCT  
ANNOUNCEMENT**

## KEY FEATURES:

<b>NEW</b>	<b>RUGGED DESIGN</b>	This rugged watch is water-rated to 100 meters and is thermal- and shock-resistant. The extra-long battery lasts up to 28 days in smartwatch mode and up to 30 hours in GPS mode. With a scratch-resistant, extra-durable glass display and sweatproof silicone comfort band, this device is built to endure life over the road.
<b>NEW</b>	<b>DRIVER HEALTH MONITORING</b>	While you're out of the cab, your Instinct 2 - dēzl Edition smartwatch tracks steps, calories burned, intensity minutes and more <sup>1</sup> . Get all-day monitoring of heart rate <sup>1</sup> , stress levels, hydration and Pulse Ox <sup>2</sup> readings for altitude and sleep monitoring.
<b>NEW</b>	<b>TRUCK DRIVER WORKOUTS</b>	Take advantage of workouts designed to fit within standard break times and fit into the long-haul lifestyle. Plus, view detailed workout tutorials on your smartphone via the dēzl <sup>™</sup> app <sup>5</sup> .
<b>NEW</b>	<b>EASY BREAK PLANNING AND CONTACTLESS PAYMENTS</b>	Keep track of your day with easy-to-use break planning timers. Your watch can help keep track of time spent driving, on a break and stopped — so you don't have to. Then, breeze through checkout lines with Garmin Pay <sup>™</sup> contactless payments <sup>3</sup> at participating providers.
<b>NEW</b>	<b>TRUCK PLAZA LOYALTY PROGRAMS</b>	Check and use rewards points and other loyalty program information with select <sup>6</sup> trucking plazas across the U.S.
<b>NEW</b>	<b>WORKS WITH Dēzl TRUCK NAVIGATORS</b>	Pair your watch with a dēzl OTR series truck navigator to sync your break planning timers and to view health metrics and wellness suggestions on the large navigation screen as well as your watch on your wrist.
	<b>PREPASS<sup>®</sup> WEIGH STATION NOTIFICATIONS</b>	Save time and improve efficiency with on-screen notifications of upcoming U.S. weigh stations and bypass decisions. This requires an active PrePass account and use of the dēzl app on your compatible smartphone.
	<b>CONNECT IQ<sup>™</sup> STORE</b>	Download custom watch faces, add data fields, and get apps and widgets from the Connect IQ Store app on your compatible smartphone.
	<b>SYNC WITH GARMIN CONNECT<sup>™</sup> APP</b>	See your health and fitness information all in one place. The Garmin Connect app is a thriving online community where people on the go can connect, compare and share.

## DĒZL<sup>™</sup> APP:

Enjoy the best in trucking connectivity with the dēzl app<sup>5</sup> from Garmin. Download the app to your compatible smartphone, then pair with your Instinct 2 – dēzl Edition smartwatch to view workout tutorials and truck plaza loyalty points on your wrist. You'll receive timely break notifications to easily plan for stops along your route. With an active PrePass<sup>®</sup> account, drivers can also get PrePass notifications<sup>4</sup> of U.S. weigh stations and bypass decisions.

Please note: The ECCNs and Classification numbers provided represent the opinion of Garmin International, Inc. of the proper classifications for the products today (based on the original software and/or original hardware). Classifications are subject to change. Under the U.S. export regulations, the U.S. Government assigns your organization or client, as exporter/importer of record, the responsibility for determining the correct classification of any item at the time of export/import. Depending on the products, the customer, or the country of destination, an export license may be required by the Department of Commerce prior to shipment. The Department of Commerce's Bureau of Industry and Security (former Bureau of Export Administration) website (<http://www.bis.doc.gov>) provides information that might be useful to you in determining whether you need to obtain a license for a particular shipment. To be clear, if an item described above does require a validated export license, it would be the exporter's responsibility to obtain this license prior to exportation.
