OUR PENDANT LAMPS ADD ELEGANT ILLUMINATION ANYWHERE IN YOUR HOME, OR OUTSIDE OF IT

Intricate designs and ornate punched fabrics might seem like they could only live indoors, but our Nova pendant lamps are made from durable Tyvek® (yes, the same material they use to weatherproof houses) so they can stand up to the elements.

WHERE LIGHT MEETS LIFE

WHEN THE SUN GOES DOWN, OUR SOLAR LANTERNS COME ALIVE

Your outdoor areas can continue to delight after dark with our innovative solar lights. After dusk, the built-in photo light sensor turns on the LED and the lanterns come alive with light. Even more amazing, they're designed to live outdoors, year-round.

LIGHTKEEPER RECHARGEABLE GLASS LANTERNS

Created with hand blown glass, these finely crafted lanterns feature brushed brass-colored accents and radiant LEDs that emit a warm white glow. Perfect for use indoors on tables, desks, and mantles, or take them outside for a picnic or dining alfresco. The lanterns are powered by a rechargeable battery and will glow for 10-12 hours on a full charge.

NEW SHAPES, SIZES, AND COLORS FOR CURRENT FAVORITES

How do we make our most popular products even better? By adding new colors, shapes and sizes! We have a vibrant new color for our Tea Lanterns, our Boater Lanterns have new color accents and updated housings, and our new 12” Soji Festival lanterns are a bigger and brighter follow up to the well-loved Soji Originals.

CORDED LIGHTING

TREND-SETTING LIGHTING DESIGNS FOR
YOUR FAVORITE SPACES

SOJI™ STELLA SOLACE INDOOR TABLE LAMPS

Truly unparalleled, **Stella Solace table lamps** are an expressive and distinctive lighting collection combining laser-cut Tyvek® and efficient LED lighting. Solace table lamps are equipped with a porcelain-colored Tyvek® shade, a powder-coated matte black steel base, a white cord with dimmer switch, and stainless steel hardware. When lit, the Solace lamps glow warm from within and cast captivating light patterns that will bring any room to life!

A. Globe Deco

Inspired by the opulent design of the 1920's, the Solace lamp in Deco is laser-cut with a geometric floral pattern and is available in a 12" round globe.

12" x 10" | Tyvek®

Includes dimmer cord. Designed for use with an E12 LED Candelabra bulb (max 9W; not included).

Porcelain
32305

B. Oval Yarrow

Sophisticated and exotic, the Solace lamp in Yarrow is laser-cut with the delicate floral fan patterning of the perennial yarrow flower and is available in a 13" oval shape.

13" x 7.5" | Tyvek®

Includes dimmer cord. Designed for use with an E12 LED Candelabra bulb (max 9W; not included).

Porcelain
32307

C. Cylinder Northwest

For love of the Pacific NW, the Solace lamp in Northwest punch displays an intricately laser-cut aerial map of the Puget Sound and is available in an 11" faceted cylinder shape.

7" x 11" | Tyvek®

Includes dimmer cord. Designed for use with an E12 LED Candelabra bulb (max 9W; not included).

Porcelain
32306

SOJI™ STELLA NOVA INDOOR + OUTDOOR LIGHTING

Introducing the world's most versatile pendant lamp. The Soji™ Stella Nova pendant lamp is unlike anything else on the market. Inspired by our ever-popular, outdoor-rated Stella solar lanterns, the Nova collection presents the same unique, ornate, and ultra-durable laser-cut Tyvek® material, yet includes a 120V plug that can be used both indoors and out, day and night. Now you can enjoy the elegance of this transitional lighting piece indoor, outdoor and all year round!

All Soji™ Stella Nova Pendant Lamps include an indoor/outdoor cord. Optional indoor cord kit with dimmer controls sold separately; see p. 9, E. Designed for use with an outdoor-rated E26 LED bulb (max 20W; not included).

A. Soji™ Stella Nova Geo Palm Pod

Inspired by a glimpse into a 1950's era Hawaiian night, our latest version of the Stella Nova indoor + outdoor pendant lamp brings a warm, ornate, and vintage ambiance to any room. Punched with a geometric palm repeat, this pod-shaped lantern measures 14" wide and 22" long.

SOLAR LIGHTING

TRANSFORM YOUR YARD AND PATIO WITH
ARTISTIC ECO-FRIENDLY LIGHT

SOJI™ STELLA SOLAR LANTERNS

The hallmark of our Soji™ Stella solar lantern collection is the ultra-durable yet lightweight Tyvek® material, hand-punched with intricate designs that are beautiful by day and cast ethereal light patterns by night. Reminiscent of tin luminarias, these gorgeous lanterns are available in a variety of hues, shapes, and punches to suit any style. Featuring metallic jewel-tones, geometric patterns, and free-spirited floral patterns, these best-sellers bring elegance to any outdoor oasis.

A. Soji™ Stella Wildflower Pod NEW

Soji™ Stella Pod solar-powered lanterns collect light all day and turn themselves on to cast an enchanting glow by night. Inspired by a field of delicate wildflowers in bloom, the lantern features an intricate floral pattern and a beautiful oblong shape. Constructed from durable Tyvek®, Soji™ Stella Pod is equipped with one AAA rechargeable battery, solar panel, ultra-bright LED light and stainless steel hardware. For outdoor use.

7" x 15" | Tyvek®

Includes stainless steel hardware.

1. Blush
32471

2. Sage
32472

B. Soji™ Stella Deco

Inspired by the smooth geometric shapes of the art deco movement, this 12" round solar lantern with its bold repeating punch is as stunning by day as it is by night. Created from ultra-durable Tyvek®, Stella Deco can be enjoyed year-round outdoors.

12" x 12" | Tyvek®

Includes stainless steel hardware.

Porcelain
32361

Ultramarine
32301

C. Soji™ Stella Bell Lantern

Modeled after lanterns found in the bazaars of Morocco, the Soji™ Stella Bell Lantern is ornately punched and brightly colored in burnt sienna or ultramarine tones. As the sun goes down, dazzling patterns of light radiate from the lantern.

9" x 11" | Tyvek®

Includes stainless steel hardware.

D. Soji™ Stella Boho

The big, bold, yet delicate Boho lantern is the perfect elegant addition to your backyard oasis or once-in-a-lifetime event. This best-selling lacy lantern has an exquisite floral suzani punch and pairs perfectly with other Stella solar lanterns.

12" x 12" | Tyvek®

Includes stainless steel hardware.

1. Metallic Emerald
32302

2. Pearl
31598

3. Metallic Blue
31836

E. Soji™ Stella Prism

Available in Pearl as well as Metallic Orchid, the Stella Prism features a diamond-like multifaceted shade structure and a spiraling rose punch pattern. This geometric lantern is beautiful on its own but also pairs well with our popular Boho lanterns.

10" x 11" | Tyvek®

Includes stainless steel hardware.

1. Metallic Orchid
31839

2. Pearl
32025

F. Soji™ Stella Oval

Vintage and lacy, the Stella Oval is a unique addition to our popular Stella solar lantern collection. This beautiful 14" lantern in a vivid emerald has an intricate wagon wheel punch, sure to bring a touch of opulence to any backyard getaway.

14" x 9" | Tyvek®

Includes stainless steel hardware.

Metallic Emerald

2. Silver
30534

3. Bronze
30535

4. Ultramarine
30536

H. Soji™ Stella Globe

The Globe lantern's durable Tyvek® exterior is punched with a distinctive wave pattern that conveys delicate elegance by day and radiates enchanting light at night.

8" x 8" | Tyvek®

Includes stainless steel hardware.

1. Ultramarine
32370

2. Pearl
31771

3. Metallic Blue
32026

J. Soji™ Stella Drum

The Stella Drum solar lantern is available in two rich jewel tones and is punched with an art deco inspired arrow pattern. The cylindrical shape allows for both tabletop and hanging options.

8" x 7" | Tyvek®

Includes stainless steel hardware.

Copper
31597

K. Soji™ Stella Bulb

The Bulb lantern takes the shape of a traditional light bulb, but its light and patterns are distinctly unique. Punched with an elegant wave pattern and made of durable Tyvek®, this lantern perfectly combines form with function.

6.5" x 8" | Tyvek®

Includes stainless steel hardware.

Pearl
31600

SOJI™ SOLID SOLAR LANTERNS

The Soji™ Solid Series is our line of UV-treated nylon lanterns which includes a variety of shapes, sizes, and hues, all in solid colors. These festive outdoor-use lanterns are great for seasonal décor and are durable enough to decorate your outdoor spaces year-round!

1. Canary Yellow
32474

2. Warm Red
32475

B. Soji™ Original

The Original lantern is as delightful alone as it is paired with other lanterns. Hang outside in a tree, off a porch overhang, or use the included Base Unit to sit tabletop.

Includes stainless steel hardware, Soji™ Base Unit & Alligator Clip.

White 1. Amber LED | 2. White LED
29496 | 30020

C. Soji™ Pod

The Pod solar lantern adds a unique silhouette to our assortment of lanterns. This bright, weather-resistant nylon lantern will lend variety to your outdoor decor with its retro shape and clean design.

7" x 15" | nylon

Includes stainless steel hardware.

White
30319

3. Cerulean Blue
32476

4. Sage Green
32477

A. Soji™ Festival NEW

The Festival is a 12" UV-treated nylon lantern offered in an retro-inspired palette of colors to compliment your brightest blooms or punch up your outdoor space year-round. The Festival lanterns feature our updated and brighter solar housing and can be hung outside in a tree, off a porch overhang, or can sit on a tabletop using the included base unit.

12" x 12" | nylon

Includes stainless steel hardware, Soji™ Base Unit & Alligator Clip.

D. Soji™ Illume

The Illume solar lantern will bring a bigger and bolder glow to your outdoor spaces! Our largest solar lantern yet, and available in classic white, it has a dramatic effect and pairs well with our entire collection of nylon lanterns.

14" x 14" | nylon

Includes stainless steel hardware.

White
30403

E. Soji™ Silk Effects Square

The Silk Effects Square lantern is an Asian-style festival lantern with a shimmering silk-like nylon and bamboo ribbing. Its cubic shape will add a geometric yet chic element to any outdoor space.

10" x 12" | nylon

Includes stainless steel hardware.

Pearl
29803

SOJI™ PRINTED SOLAR LANTERNS

Our collection of printed solar lanterns offers a wonderful variety of artist-designed graphics, from earthy florals to classic stripes to retro patterns. Each print has been uniquely illustrated by our in-house design team, so you won't see anything like them anywhere else. Make a statement with a favorite, or mix and match with other lanterns to build a whole collection.

A. Soji™ Stella Print and Punch Series

Crafted from weather-resistant Tyvek® fabric, the Stella Print and Punch Series combines ornate punched patterns with fun, colorful printed designs. The Stella Indigo Leaf captures the impression of light filtering through leaves on a moonlit evening, while the Stella Lemon Poppy solar lantern features a festive flower motif that is playful and bright.

12" x 12" | Tyvek®

Includes stainless steel hardware.

1. Indigo Leaf
32297

2. Lemon Poppy
32298

B. Soji™ Stella Printed Series

The Soji™ Stella Printed Series Drum Urchin solar lantern combines durable Tyvek® materials with vivid and decorative designs from our in-house artists. It uses hand-illustrated imagery of a spiny indigo urchin to represent the natural beauty beneath the sea.

9" x 7" | Tyvek®

Includes stainless steel hardware.

Drum Urchin

C. Soji™ Printed Series

This Printed Series features something for everyone. Whether you prefer bohemian diamond patterns, bright modern colors, or classic black and white stripes, these lanterns mix and match with our entire collection to perfectly complement any style.

Assorted sizes | nylon

Includes stainless steel hardware.

D. Soji™ Round Diamond

The Round Diamond lantern has a vintage vibe, evoking warm and tropical Havana nights. Handmade from treated canvas, this lantern is available in two color options in a retro palm leaf print, sure to bring the cool to the party!

10" x 11" | canvas

Includes stainless steel hardware.

1. Black Palm
31860

2. Green Palm
31861

SOLAR STRING LIGHTS

Add the finishing touch to any outdoor space with our gorgeous solar string lights. Choose from plated steel, vivid weather-resistant nylon, or dazzling artisan glass. Because the solar collector is spaced many feet away from the first bulb, these lights are not only eco-friendly, but also easy to hang; string them across a patio, off an umbrella, or through a trellis for the height of elegant ambiance.

A. Marrakesh Metallic String

Inspired by the iconic lighting in the bazaars of Morocco, these punched metal solar string lights bring a sophisticated and elegant look to any outdoor space. Uniquely designed by our in-house art team, the Marrakesh solar string lights shine by day and glimmer with gorgeous punched patterns at night.

Assorted sizes on 15' string | steel
Includes 10 LEDs & 7.5" solar panel planting stake.

1. Copper Star
32163 | 1" x 3"

2. Silver Star
32165 | 1" x 3"

Includes 5 colors

B. Soji™ Solid String

The Solid solar string light brings pizzazz to any location. Go fun and bright with Peach Bellini, keep it classic with crisp White, or create a breezy getaway with Watery Blues.

2.5" x 2.5" on 33' string | nylon

Includes 10 lanterns & 7.5" solar panel planting stake.

White Diamond
31385

C. Aurora Glow String

For an elevated look, the Aurora Glow glass string light is elegant by day and dazzling by night. This upscale solar string light is fancy and festive year-round.

2.5" x 2.5" on 25' string | glass

Includes 6 bulbs, 7.5" solar panel planting stake & 6 copper hooks.

SOLAR PUNCHED METAL

Our punched metal luminarias are a sturdy, free-standing steel votive series that captures and casts light in a truly stunning way. When the sun goes down, they add sophistication and warmth to the outdoor landscape.

A. Bloom Lantern

Capturing the free form nature of a wild flower garden, our Bloom solar luminaria is punched with a uniquely floral design. Created from steel, this lantern is available in midnight blue or white.

5" x 12" | steel

1. Midnight Blue
32160

2. White
32161

SOLAR GLASS

Our artisan-made glass solar votives are beautiful both collecting sunlight by day and glowing sweetly by night. Available in various colors and silhouettes, the flecked and textured glass casts beautifully dappled patterns of light. Our votives can sit tabletop or hang from a hook or branch, perfect for softly illuminating a romantic alfresco dinner or a charming garden pathway. Hand-blown means that no two pieces are exactly alike, making these our most giftable products!

A. Gem Light

The Gem Light is the perfect combination of gorgeous faceted blown glass and the warm glow of an Edison-style bulb. Powered by the sun, our artisan-designed Gem Light is perfect on a table top, nestled in a garden or adorning a shepherd's hook along a favorite pathway.

5.5" x 6.75" | glass

1. Emerald 32360
2. Milk 32172
3. Rose 32173
4. Smoke 32174

B. Boaters Lantern NEW

Inspired by captains' lanterns which light a stormy sky by night, the Boaters Lantern collection is truly artisan, with a gorgeous combination of luminescence and white glass. With a clean nautical silhouette and steel handle, they are portable and happily light the way by night.

Assorted sizes | glass

1. Cone 32410 | 5.5" x 7.5"
2. Cylinder 32408 | 4.25" x 7.0"
3. Square 32407 | 5.88" x 4.75"

C. Tea Lantern

The hand-blown glass solar Tea Lantern lights up by night to cast a warm, romantic glow from within. Able to hang or sit tabletop, this best-seller is available in three pastel tones and brings ambiance to any patio. Also makes a great gift!

4.5" x 5" | glass

1. Tidal Blue 32462
2. White 30454
3. Mint 30565

RECHARGEABLE GLASS VOTIVES

The LightKeeper lantern was inspired by the simple and beautiful glass lamps used to guide mariners home at night. Created with hand blown glass, this finely crafted lantern features brushed brass-colored accents and radiant, dimmable LEDs that emit a warm white glow.

A. LightKeeper Lantern NEW

Sophisticated and versatile with an innovative portable design, it's perfect for use indoors on tables, desks, and mantels. Or take it outside for a picnic or dining alfresco. The lantern is powered by a rechargeable battery and comes with an A/C power adapter. Lantern will glow for 10-12 hours on a full charge.

Assorted sizes | glass

1. Cone 32461 | 6.7" x 9.4"
2. Cylinder 32460 | 5.7" x 8.5"
3. Square 32459 | 6.5" x 5.9"

A family business

ALLSOP HOME & GARDEN is a family business, started by a father and a daughter who were inspired to create a better wheelbarrow. Now, twenty years later, we are still inspired to create the best, most innovative and conscientious products possible, from garden tools to solar lighting. At Allsop Home & Garden we know that we benefit from working as a team where employees are valued and encouraged to help create, design and innovate. Originally recognized for founding the concept of "solar garden art," Allsop Home & Garden is now known for combining unique materials with light sources to bring you beautiful, sustainable and unparalleled lighting for both in and outside the home. Everything we sell is designed by us with our customers in mind. Collectively, Allsop Home & Garden and Allsop Inc. hold over 450 patents worldwide. Our mission is to create meaningful and quality products that are as important to you as they are to us.

GARDEN TOOLS AND ACCESSORIES

A. WheelEasy

A ground-flush-loading barrow, the WheelEasy is ergonomically designed to center the load and eliminate heavy lifting. Just sweep, rake, drag, or roll material from the ground into the canvas, lift and go. It's collapsible for storage and available in load-bearing capacities of 150 and 350 lbs. to make quick work of any job.

Assorted sizes | canvas

Includes stainless steel hardware, foam grip handles & rubber wheel.

1. WheelEasy Holds up to 350 lbs. 29242 | 4' x 5.5'
2. WheelEasy LE Holds up to 150 lbs. 28162 | 3' x 4'

B. Clean-up Canvas

This super-duty tarp has four reinforced soft-grip interlocking rubber handles, making yard clean-up a cinch! Get the complete system or use the separately-sold Clean-Up Handles to turn any standard riveted tarp into the most multi-functional cover or bag ever.

Polyethylene tarp

Rubber handles

Includes 4 handles.
