

# MIGHTICAN Can Opener

## Use:

Open handles and place on top of can to self-locate on the edge of the ring. Close handles.

Turn the knob until the lid is detached.

With the handles closed, lift the lid. No need to touch.

Open the handles to release the cover.

## Caution:

The rim of the can is sharp

Avoid contact and dispose of carefully

Do not re-use can for storage

## Care:

It is important to clean your can opener regularly. Use warm soapy water.
