

Warranty Information

Your product must be under warranty in order to obtain warranty service.

Many Coleman® products come with a limited warranty providing that the product will be free from defects in material and workmanship. The length of the limited warranty may vary by product. (Please see below for the terms applicable to Coleman and AVEX branded beverage products.) The limited warranty is valid for the original retail purchaser from the date of initial retail purchase through the term of the limited warranty period.

Keep the original sales receipt. Proof of purchase is required to obtain warranty performance. Retail and online stores selling Coleman® products do not have the right to alter, modify or in any way change the terms and conditions of the warranty. Please refer to your product for the exact terms and conditions of the limited warranty for your purchase. The warranty included with your purchased product is your exclusive warranty.

Do not return any product to The Coleman Company without authorization. For certain items, you will be directed to attach a tag to the product that includes your name, address, daytime telephone number, description of the problem, and a copy of the original sales receipt. Upon prior authorization, carefully package the product and send insured by UPS, FedEx Ground or Parcel Post with shipping and insurance prepaid to:

During the limited warranty period for the product, The Coleman Company will provide parts, repair, or replace your product, at our discretion, due to any defect in materials or

workmanship. We do not offer monetary reimbursement, nor is the limited warranty transferable to any third party beyond the original purchaser.

The Coleman Company's total liability for any loss or damage, whether based on contract, warranty, negligence or otherwise, shall not exceed the purchase price of the product. In no event shall Coleman be liable for consequential, incidental or special damages of any kind.
