Tools with problems due to material or workmanship tend to fail relatively quickly once they are put in use, often within the first few uses. It is very unusual for a tool with a material or workmanship problem to operate for a prolonged period of time. Tools returned for warranty claims after months or years of use rarely show signs of defects in materials and workmanship when inspected. Normal wear and tear is not considered a defect in materials and workmanship and is not covered by the Limited Lifetime Warranty.

If you are a consumer subject to the Quebec Consumer Protection Act, the limitations contained in the immediately following paragraph do not liberate Bosh from the consequences of its own acts or the acts of its representatives, or any gross or intentional fault on their part

IN NO EVENT WILL BOSCH BE LIABLE FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, EXEMPLARY, SPECIAL, OR INCIDENTAL LOSSES, OR ANY LOSSES IN CONNECTION WITH OR ARISING FROM THIS LIMITED LIFETIME WARRANTY OR THE PRODUCT. THE CUMULATIVE LIABILITY OF BOSCH RELATED TO THIS LIMITED LIFETIME WARRANTY OR THE PRODUCT WILL NOT EXCEED THE AMOUNT ACTUALLY PAID FOR THE PRODUCT BY THE ORIGINAL PURCHASER.

If you are a consumer subject to the Quebec Consumer Protection Act, your rights and remedies under such Act are not limited, including the right to make a claim under any of the statutory warranties provided under sections 34 to 54 of such act.

This Limited Lifetime Warranty gives you specific legal rights and you may also have other rights which vary. The obligation of Bosch for any valid claim under this Limited Lifetime Warranty is solely to repair or replace the product. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or certain limitations on implied warranties, so some of the above limitations or exclusion may not apply to you.
