

30W PD Fast Wall Charger

30W PD Fast Wall Charger

No more waiting! Experience the full speed of Power Delivery technology. This complete fast charging bundle comes with a 30W USB-C PD wall charger and a 6ft USB-C to USB-C cable — the 2 things your phone needs for the fastest charge. With over 6X the power of standard chargers, it is perfect for power-hungry devices and can fast charge the latest Samsung Galaxy S22 series phones from 0 to 50% in under 30 minutes, and even power up a MacBook Air while it's still in use. Devices that aren't PD compatible will still charge at their fastest speeds. Always arrive fully charged, or throw the tiny charger into your bag and take fast charging capability wherever you go!
