

Antimicrobial Kids Storage

Durable, stackable and washable antimicrobial storage helps teachers keep younger students' supplies separated and helps busy parents organize and keeps kids' stuff together. Available in bright primary colors and a wide variety of storage options. Now with SteriTouch®, an antimicrobial agent used to inhibit the growth of odor-causing microorganisms, and mold and mildew, which may degrade the product.

SteriTouch® contains an antimicrobial agent to prevent microorganisms from degrading the product. Does not protect users or others against food-borne (or disease-causing) bacteria. Always clean this product thoroughly after each use.
