GARMIN DRIVECAM™ 76

NAVIGATOR WITH BUILT-IN DASH CAMERA

NEW PRODUCT ANNOUNCEMENT

PRODUCT OVERVIEW:

Keep an extra eye on your drive with the Garmin DriveCam 76 GPS navigator with built-in dash cam¹. The high-definition 1080p dash camera with wide 140-degree field of view continually records the drive and automatically saves video of detected incidents. Drivers can easily view and share saved clips of videos by using the Garmin Drive™ smartphone app. What's more, the built-in camera enables advanced driver alerts, including forward collision and lane departure warnings to help increase situational awareness during road trips or your daily commute. Garmin voice assist lets you tell the navigator where you want to go, and the sharp 7" display with map updates of North America² show you the way. Make the most of road trips with Tripadvisor® traveler ratings, a directory of U.S. national parks, and access to live traffic, weather and fuel prices when paired with the Garmin Drive app.

GARMIN DRIVECAM™ 76

NAVIGATOR WITH BUILT-IN DASH CAMERA

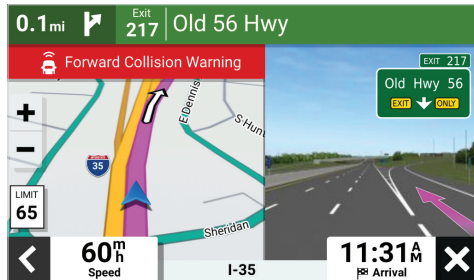

NEW PRODUCT ANNOUNCEMENT

KEY FEATURES:

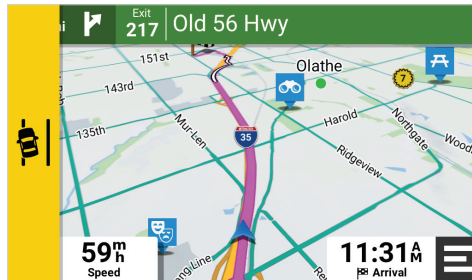

NEW LARGE 7" DISPLAY	The easy-to-see, high-resolution 7" touchscreen makes it easy to follow the recommended route. It includes map updates and detailed street maps of North America with coverage of the U.S., Mexico, Canada, Puerto Rico, U.S. Virgin Islands, Cayman Islands and Bahamas.
NEW BUILT-IN DASH CAM	The integrated 1080p dash cam ¹ with wide 140-degree field of view serves as an eyewitness behind the wheel. It continually records your drive and automatically saves video of detected incidents. GPS data shows when and where events occurred, and the pre-installed memory card means it is ready to use out of the box.
NEW EASY VIDEO VIEW AND SHARE	Saved video clips are automatically stored in the secure online Vault and can be accessed by using the Garmin Drive™ app on your compatible smartphone (requires active Wi-Fi® connectivity).
NEW FORWARD COLLISION AND LANE DEPARTURE WARNINGS	To help increase driver awareness, receive alerts if you are driving too closely to the vehicle ahead or if your vehicle drifts off the road or into oncoming traffic. Certain conditions may impair the warning function; visit Garmin.com/warnings for details.
NEW WORKS WITH GARMIN BACKUP CAMERAS	Wirelessly pair the navigator with a compatible Garmin backup camera (sold separately) to see behind your vehicle when in reverse.
VOICE CONTROL AND HANDS-FREE CALLING	Use Garmin voice assist to tell the navigator where you want to go, and pair with your compatible smartphone with BLUETOOTH® technology to make and take calls while your hands stay on the wheel.
LIVE TRAFFIC AND WEATHER	When paired with the Garmin Drive app, your navigator can display real-time traffic, weather, fuel prices and smart notifications.
TRIPADVISOR® TRAVELER RATINGS	View Tripadvisor traveler ratings for hotels, restaurants and attractions along your route or near your destination.
NATIONAL PARKS DIRECTORY	Discover and enjoy some of America's most treasured natural resources. Easily navigate within the parks to visitor centers, picnic areas, campgrounds and more.
EASY WIRELESS UPDATES	Built-in Wi-Fi connectivity makes it easy to keep your maps and software up to date without using a computer.
