

TORRAS

- ◆ The world's first cooling and heating hanging neck air conditioner
- ◆ Brand new release in the first half of 2022
- ◆ Amazon Best Seller, rated 4.2 out of 5.0 stars
- ◆ More than 150 exclusive patents

1-Second Cool 27°F: Cool your body by 27°F in just 1 second. Cool every inch of skin with two cooling plates, four air ducts and double vents that surround the entire neck.

3 Hours Charge | 1.5-18 Hours Cool: Experience up to 18 hours of cool air on a 3-hour charge. LED screen shows battery life and setup mode.

Stay cool when you move: The unique C-shaped design ensures a secure fit, and the premium silicone memory material flexes up to 160° to accommodate all neck sizes.
