

# Retro Electric Kettle, Black, 1.7 L

SKU: VETKT1309BLK | UPC: 086844900157

# VETTA

## Description:

The VETTA Retro 1.7 L (1.75-Qt.) Electric Kettle is made from durable stainless steel and boasts an impressive 1,500 watts for quick results and a best-in-class Strix® safety controller to prevent overheating. The water kettle also features automatic shutoff and boil-dry protection. With a concealed heating element and an easy-fit 360° power base, the VETTA kettle can be quickly replaced at any angle. A side window reveals the water level, and an LED indicator makes it easy to see at a glance whether the unit is on or off.
