**Stylish Portable Storage in a Protective, Rotating Jacket**

The Lexar® JumpDrive® TwistTurn2 flash drive has a simple plug-and-play design that allows you to quickly and easily store files, so wherever you go, your information goes with you. This stylish and high-capacity drive sports a capless design with a durable hinged jacket that rotates to easily access a USB port or protect your files. This drive comes available in different stylish colors for varying capacities and works across platforms, giving you flexibility and ease of use. Two-year limited warranty.

High-Capacity Storage. Lexar® JumpDrive® TwistTurn2 is a high-capacity USB flash drive that provides a convenient solution for storing, transferring, and sharing multimedia and more. JumpDrive® TwistTurn2 is available in 32GB, 64GB, and 128GB capacities.

Stylish Housing Design. JumpDrive® TwistTurn2 is available in a range of large capacities, allowing you to transfer, store, and share a vast number of data, photo, music, and video files. The drive has a capless design with a rotating case to protect the drive and its contents, providing an excellent combination of durability and convenience.

Plug-and-Play Design with Great Features. JumpDrive® TwistTurn2 has a simple plug-and-play design that allows you to quickly and easily store files, so wherever you go, your information goes with you. JumpDrive® TwistTurn2 also works across platforms, giving you flexibility and ease of use.

Cool Color Options. Created to suit your style, JumpDrive® TwistTurn2 is available in a different stylish color for varying capacities. It also makes a fashionable accessory and comes with a keychain hole, making it easy to tether to a key ring, attach to a backpack, or hook to a purse or briefcase. With large storage capacities and stylish design, Lexar JumpDrive® TwistTurn2 is an incredibly versatile and convenient portable storage solution.

Rigorously tested. All Lexar product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 1,100 digital devices, to ensure performance, quality, compatibility, and reliability.

For more than 20 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, and solid-state drives. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.

NOTE:

Some of the listed storage capacity is used for formatting and other purposes and is not available for data storage. 1GB equals 1 billion bytes.
