

40-Channel Handheld CB Radio with AM and FM Modes

The Uniden PRO538HHFM includes the CB features you need every day. 40 CB channels let you tune in to the action channels or break away to do your own thing. NOAA Weather keeps you informed when severe weather threatens. And, the Dual Watch feature lets you talk on one channel, while keeping an ear on another channel you are interested in.

Use High power to punch out the strongest signal, or low power to preserve those batteries. Remember, Uniden is *the* name in CB radios
