

Features & Benefits

- Built-in Microban® antimicrobial product protection helps fight bacteria growth
- USB 3.0 interface is up to 10X faster than USB 2.0 interface
- Retractable design – shields USB connector in transit
- Password protection software available for download*
- Lifetime limited warranty

*Works with Windows operating systems only

The Store 'n' Go® V3 USB Drive is a world class storage solution for those looking to save and transfer data faster. The USB 3.0 interface offers 10X faster data transfer speeds versus USB 2.0, making it easy to transfer multiple files at once or larger files without error. The retractable design keeps the connector and data protected without the worry of losing a cap.

These Verbatim USB drives include built-in Microban® antimicrobial product protection. This antimicrobial technology helps prevent the growth of bacteria – keeping your USB drives cleaner!

Part #	Description
