

USB-C™ Wireless Blue LED Mice

Make your USB-C™ port work for you with the Verbatim USB-C Wireless Blue LED Mouse. The ergo-friendly shape and easy grip surface make this mouse easy and comfortable to use all day long. An adjustable DPI button lets you easily switch between 800, 1300 and 1600 DPI while back and forward buttons let you easily navigate between pages in your browser. The 2.4GHz wireless performance allows for lag-free cursor movement. Blue LED technology allows users to point and click on more surfaces than other mice – from a glass table to the granite kitchen counter! The mouse connects to the computer via an ultra-small nano receiver, tiny enough to plug in and leave connected, with a contoured design that won't get snagged when moving your computer. The Verbatim USB-C Wireless Blue LED Mouse is backed by a 1-Year Limited Warranty.
