The center of sensor security - the Lorex Sensor Hub

Add the Lorex Sensor Hub to any Lorex Home™ compatible recorder to go beyond video and audio monitoring. Simply pair your Lorex sensors to the Sensor hub for monitoring coverage throughout your home. Control linked sensors with various modes, for a seamless monitoring experience.

Features:

- Compatible with various Lorex DVRs, NVRs or standalone Wi-Fi cameras through the Lorex Home™ app
- Keep tabs when you are away. Pair the Sensor Hub with the Lorex Home™ app to receive real-time notifications when motion is detected inside your home
- Link cameras to sensors to have nearby cameras record footage when sensors are triggered
- Quickly and easily connect up to 10 sensors

Model Information

AY41TR	6-95529-02711-1
Configuration	Sensor Hub
Package Type	White Box
Package Dimensions (W × D × H)	4.0 × 4.0 × 2.1" / 102 × 102 × 53mm
Package Weight	0.33lb / 0.15kg
Package Cube	0.02 cbf / 0.00057 cbm

What's in the box

Sensor Hub	Power Adapter + Cable	Bracket	Pin

Disclaimers:

1. The sensor hub requires an internet connection and the Lorex Home™ App. Sensor Fusion requires both the Lorex recorder or camera & sensor hub to be paired to the same Lorex Home account.
2. Compatible with certain Lorex products only. For a list of compatible products please visit www.lorex.com/compatibility
