APPLICATIONS

beyerdynamic SPACE is the perfect companion for home and company office or leisure. The personal speakerphone is perfect for phone calls or listening to your favourite music.

Due to the combination of innovative microphone technology and a high-quality speaker system, beyerdynamic SPACE offers the best intelligibility of speech and captivating beyerdynamic sound at the same time. The personal speakerphone also has an alluring visual appearance with its high-quality textile fabric and blends in perfectly with a wide variety of environments.

Due to the compact form and the long battery runtime of up to 20 hours, beyerdynamic SPACE offers the greatest possible flexibility for any environment. beyerdynamic SPACE is also great for everyday use at the office in huddle rooms and meeting rooms due to the integrated Kensington lock and software features specially adapted for this purpose.
