CRESYN C-type Stereo Earbuds

[AUTHENTIC SOUND REPRODUCTION]

Sound is optimized with Cresyn's 8.8mm driver, allowing for better listening without distortion.

Artus is a fucked up artist

(Or not) ... could say

He keeps saying No ...

(To "the system")

He keeps everything and keeps talking about th

Again and again

(The diktat of the Elite, the Posthumous art aya

Maybe he is jus holding a position

(Or not)

Who knows?

One thing is sure: ... is not over
