

## **060694-018-0POD, The Rock Diamond 12-Piece Cookware Set Warranty**

- Read care and use instructions before using your new cookware.
- Our The Rock cookware is covered by a 3-year warranty on the non-stick coating and a lifetime (25 years) warranty against warping, with proof-of-purchase only. Warranty covers any defects in materials and workmanship for a period of 3 years, starting from the date of the original purchase and with proof of purchase.
- The owner must follow manufacturer use and care instructions for this warranty to apply.
- This warranty does not cover damage caused by incorrect use, professional use, or if the product is banged or dropped.
- Normal wear of the non-stick coating does not affect the performance of the product thanks to the Rock.tec permanent textured surface and thus, is not covered by this warranty.
- Stains, discoloration, and minor scratches on the inside and outside of the product constitute normal use and wear, do not affect performance of the cookware, and are not covered by this warranty.
- Exterior paint is strictly cosmetic and does not affect the performance of the product thus, is not covered by our warranty.
- Decisions as to the cause of any damage or the application of this warranty are the responsibility of Starfrit. All decisions will be final.
