

THE MAGIC PAD PRO

The Magic Pad Pro is an elegant and innovative wireless charging powerhouse. Charge up quickly, enjoy its compact design, and stay lit with its nightlight feature. The built-in magnetic phone stand adds a sweet bonus of convenience. A must-have for the stylish tech enthusiast!

POCKET SIZE -ON-THE-GO CHARGER

We've designed it so compact it can fit inside your pocket, fanny pack, and bookbag. Whether you or your friend need a boost, the unfoldable station powers the day forward!

SAVE TIME -FAST CHARGE YOUR ESSENTIALS

Stay powered up without the hassle of multiple chargers or tangled cables. We've designed a 3-in-1 charging station for all of your everyday carries - phone, smart watch, and earbuds.

SAFETY COMES FIRST- DAMAGE PROTECTION

The Raycon Magic Pad has a built-in intelligent chip to prevent overheating or overcharging of your devices. More importantly, because you're using wireless charging increasing the lifespan of the lighting port that could alternately cost thousands to fix.
