Web Product Name

VTech Expandable Cordless Phone with Bluetooth Connect to Cell, Smart Call Blocker and Answering System, VS112 (Silver & Black)

Web Description

With the VTech VS112 Expandable Cordless Phone featuring, Bluetooth Connect to Cell and Smart Call Blocker, you won't have to worry about unwanted calls waking you up in the middle of the night or tying up the line. Robocalls are automatically blocked from ever ringing through—even the first time. You can also permanently blacklist any number you want with one touch. Bluetooth Connect to Cell technology on this cordless phone system lets you receive cell and/or landline calls from one home phone system. With a touch of a button, enjoy the high-tech benefits your smart phone offers. Even if your smart phone is in a different room, you can still access Siri or Google Now from the cordless handsets. Place a call, write or read a text and perform all the other actions these services offer.

Web Features

- Smart Call Blocker - Say goodbye to unwanted calls. Robocalls on your landline are automatically blocked from ever ringing through—even the first time.
- Connect to Cell™ - Make and receive calls from your cellular plan while enjoying the comforts of a home phone. Pair up to 2 cell phones and connect 2 cell phones or one cell phone and one BLUETOOTH headset for use with landline calls.
- Digital Answering System - With up to 22 minutes of recording time, the digital answering system grabs calls when you can't.
- 2" white backlit display - High-contrast text on the extra-large 2" screen makes it easy to read incoming caller ID or call history records. Plus, the white back lighted handset keypad allows for easy dialing in low-light conditions.
- Full Duplex Speakerphone - Enjoy a speakerphone that can keep up with your calls. Increase participation by allowing both ends to speak and be heard at the same time, for conversations that are more true to life.
- 1,000 name and number smart call block directory - You can permanently blacklist up to 1,000 numbers with one touch.
- Digital answering system voice guide - Setting up your system just got easier. Talking prompts walk you through set up of your new phone's digital answering system, so you can be confident it's ready to record.
