Whether it's for transporting your laptop by itself or in another bag for added protection, the Alienware Vindicator Neoprene Sleeve has you covered. Added protection: Flexible neoprene padding conforms to your laptop to create a perfect fit and ward off scrapes and scratches. Stays put: The non-slip base keeps the sleeve from moving where it's placed, while the top loading nylon handles have your system ready to grab and go. Pack in the goods: An oversized exterior zippered pocket allows you to store additional accessories.
