

UNDO - MSDS

01. MATERIAL IDENTIFICATION

DAVIK Industries Self Adhesive Tapes	SAFETY DATA SHEET	Confirms to EC Regulation 1907/2006 (REACH) Annex II
Date issued: 01/01/2021	REACH registration number: no	Page 1 of 5
Revision No: 1	Revision date: no	

Identification of the substance/preparation and of the company/undertaking

Trade name of the article:	Undo – Whiteboard
Use of the article:	For use in agriculture in greenhouses and in the fields.
Company Identification:	DAVIK Industries Self Adhesive Tapes
Emergency Phone Number:	+972-8-656 0100
FAX:	+972-8-656 0119
Address:	Kibbutz Sde Boker, D.N Ramat Negev, 8499300, Israel
E-mail:	main@davik.co.il
Web Site:	www.daviktapes.com

02. HAZARDS IDENTIFICATION

Classification	This substance does not meet the criteria for classification
Emergency Overview	This material is not a “health hazard” as defined under the OSHA Hazard Communication Standard, 29 CFR 1910.1200 or SARA Title III, Section 313.
Hazards	On the basis of available data, the product does not contain any PBT or vPvB in percentage greater than 0,01%

03. COMPOSITION/INFORMATION ON INGREDIENTS

Film	Adhesive	Liner
Whiteboard Film	Acrylic	Siliconized Polyester Film

Notice to Reader

DAVIK Self Adhesive Tapes urges each customer or recipient of this (M) SDS to study it carefully and consult appropriate expertise, as necessary or appropriate, to become aware of and understand the data contained in this (M)SDS and any hazards associated with the product. The information herein is provided in good faith and believed to be accurate as of the effective date shown above. However, no warranty, express or implied, is given. Regulatory requirements are subject to change and may differ between various locations.

Since conditions for use of the product are not under the control of the manufacturer, it is the Buyer's/user's duty to determine the conditions necessary for the safe use of this product.

04. FIRST AID MEASURES

General advice	No adverse effects under normal conditions
Inhalation	No need for first aid is anticipated.
Skin contact	Use protective clothing and gloves.
Eye contact	No need for first aid is anticipated.
Ingestion	No need for first aid is anticipated.

05. FIRE-FIGHTING MEASURES

Flammability	May be combustible at high temperatures.
Fire Classification	OSHA (29 CFR 1910.2000): Not classified by OSHA as flammable or combustible
Extinguishing media	Water spray, dry chemicals and light foam, carbon dioxide, powder (A, B, C), CO ₂

06. ACCIDENTAL RELEASE MEASURES

N/A

07. HANDLING AND STORAGE

Handling	Standard handling. Ensure a sufficient air exchange. Eliminate all possible sources of ignition in a work area. Product is not dangerous for environment and water – No specific measures are required. Do not work with open fire in the near of the product.
Storage	Keep in closed packages, situated in roofed-over places at room temperature. These places must protect product from direct solar radiation and from the other climatic influences. Observe the fire-fighting measures.

Notice to Reader

DAVIK Self Adhesive Tapes urges each customer or recipient of this (M) SDS to study it carefully and consult appropriate expertise, as necessary or appropriate, to become aware of and understand the data contained in this (M)SDS and any hazards associated with the product. The information herein is provided in good faith and believed to be accurate as of the effective date shown above. However, no warranty, express or implied, is given. Regulatory requirements are subject to change and may differ between various locations.

Since conditions for use of the product are not under the control of the manufacturer, it is the Buyer's/user's duty to determine the conditions necessary for the safe use of this product.

08. EXPOSURE CONTROLS AND PERSONAL PROTECTION

Engineering Controls	Ensure a sufficient air exchange in work areas. Use personal protective equipment.
Personal Protection in Eyes	Goggles /protection glasses or face shield.
Body	Normally clean clothing should be sufficient.
Respiratory	Ventilation is normally required when handling this product. Wear appropriate respirator when ventilation is inadequate
Hands	No adverse health effects are expected from skin contact.
Environmental exposure control	Product is not dangerous for environment and for water.

09. PHYSICAL AND CHEMICAL PROPERTIES

Physical state	Solid	Odor	Odorless
Molecular weight	Not available	Taste	Not available
Melting point, °C	Not available	Boiling point, °C	Not available
Vapor Pressure	Not available	Evaporation rate	Not available
Solubility in water	Insoluble	PH	Not available
Boiling point, oC	Not available	Viscosity	Not available

10. STABILITY AND REACTIVITY

Conditions for stability	Stable
Incompatibility with various substances	Strong oxidizing agents as oxygen, chlorates, peroxides, nitrates. Some organic solvents, partially hydrocarbon fuels and oils, may degrade this product

Notice to Reader

DAVIK Self Adhesive Tapes urges each customer or recipient of this (M) SDS to study it carefully and consult appropriate expertise, as necessary or appropriate, to become aware of and understand the data contained in this (M)SDS and any hazards associated with the product. The information herein is provided in good faith and believed to be accurate as of the effective date shown above. However, no warranty, express or implied, is given. Regulatory requirements are subject to change and may differ between various locations.

Since conditions for use of the product are not under the control of the manufacturer, it is the Buyer's/user's duty to determine the conditions necessary for the safe use of this product.

Conditions to avoid	Activity of the high temperatures or contact with open fire
---------------------	-------------------------------------------------------------

11. TOXYCOLOGICAL INFORMATION

Product is not toxic.

Product is not toxic.

12. ECOLOGICAL INFORMATION

Not expected to present any significant ecological problem

13. DISPOSAL CONSIDERATIONS

Waste information	Transfer to an approved disposal area in accordance with state or local regulations
Waste stream	Not available
Consult your local or regional authorities	

14. TRANSPORT INFORMATION

DOT Classification for bulk Shipments (non-bulk shipments may differ)	Not a DOT controlled material (USA)
DOT proper shipping Name	Not applicable
UN Number	Not established
USCG proper shipping Name	Not available
Marine pollutant	Not applicable
Hazardous Substances reportable quantity	Not applicable
Special provisions for transport	Not applicable
TDG Classification	Not controlled under TDG (Canada)
ADR/RID Classification	Not controlled under ADR (Europe)
IMO/IMDG Classification	Not controlled under IMDG

Notice to Reader

DAVIK Self Adhesive Tapes urges each customer or recipient of this (M) SDS to study it carefully and consult appropriate expertise, as necessary or appropriate, to become aware of and understand the data contained in this (M)SDS and any hazards associated with the product. The information herein is provided in good faith and believed to be accurate as of the effective date shown above. However, no warranty, express or implied, is given.
