# JMF PUSH-TO-FIT Fittings

JMF Push-to-fit fittings are preferred by plumbing professionals who demand the highest quality, appearance, fill rates and largest selection. Push-to-fit fittings connect to copper tube PEX tube and CPVC tube without the use of solder, crimping or glue. JMF offers a complete line of Push-to-fit fittings that meet or exceed all industry standards. Visit our pricing page at [www.jmfcompany.com](http://www.jmfcompany.com) to view detailed product information on JMF Push-to-fit products.
