

THE MAGIC POWER BANK(S) | UNIVERSAL, SLIM, STAND

ON-THE-GO POWER

MAGSAFE COMPATIBLE

Snap on and go! We've built in the MagSafe component in order to allow easy iPhone charging onto our banks for an effortless 15W power delivery.

POWERED FOR THE BUSY DAY

Ranging from 5000mAH to 10,000mah battery capacity, our Magic Power banks will recharge your devices fully and more so that you're at the ready when you need it most.

TRAVEL-FRIENDLY

We designed as many features for the price point so that all our Magic Power Banks are easy to travel with and make all your trips that much more convenient.
