

THE MAGIC POWER STATION(S) | BASE, STATION, STATION PRO

ALL-IN-ONE CHARGING

FAST WIRELESS CHARGING

Each Magic Power Station can wirelessly charge all of your everyday carries at max power delivery of 15W.

INTELLIGENT CHIPS

We know value. Our Magic Power Stations have intelligent chips installed to protect your devices from overheating and overcharging.

PHONE STAND

We've incorporate a stand in each station so all users have easy access to their iPhone functions and features while it charges. Whether you're watch content or simply checking your notifications, your iPhone is upright and ready.
